

What is 4-H Camp?

4-H camp is a fun opportunity for youth to learn skills through hands-on experiences. The camping program helps youth build self-esteem and challenges them to be innovative and creative. Campers have the opportunity to participate in exciting classes, with many options to choose from: canoeing, arts & crafts, archery, swimming and marine science, just to name a few. There are also swim and recreation times, special evening events, songs, games and more!
